WHO WE ARE

Bellona is an app-based women's network that empowers young women across the African continent, particularly in male dominated industries, through a network of like-minded and equally ambitious women that support each other by sharing their stories. We believe mentorship is a powerful empowerment tool to support women to realise their full potential.

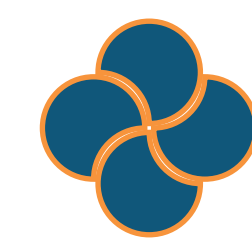

LIFTING AS WE RISE

We are looking for women across all walks of life to volunteer their skills and experience as a mentor to our young woman who are rising in their respective industries.

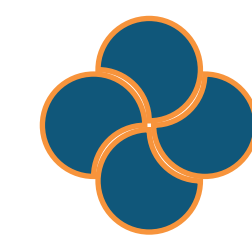

WHAT'S IN IT FOR YOU?

Mentoring can be hugely rewarding for both parties. In addition to utilising your skills and knowledge to help shape the next generation of leaders, it also enhances your own leadership skills and offers an opportunity to reflect on your own development.
